## **Sponsorship Package 2026**

### **Supporting Neurodivergent Children Through Inclusive Programs**

**Presented by:** Neuro Unique World (NUW)

**Mission:** To create a safe, inclusive, and engaging environment for children and youth with neurodivergent minds through structured programs and services, social opportunities, and family supports.

### **About Us**

Neuro Unique World specializes in creating inclusive environments tailored to children with neurodivergent needs such as autism spectrum disorder (ASD), ADHD, sensory processing disorder, learning differences, and more. Through professional staff and evidence-based approaches, we empower children and families with meaningful opportunities for play, learning, growth, and connection.

As the saying goes, *"It takes a village to raise a child."* At Neuro Unique World, we believe it also takes a compassionate community to support children and their families.

That's why we're inviting local businesses, organizations, and goodwill collaborators to stand with us in providing meaningful, necessary services for children in our community.

By becoming a sponsor, you are:

- Supporting **our children** with enriching, inclusive experiences tailored to their needs
- Empowering **parents and caregivers** with trusted respite and community support
- Strengthening **our small business**, allowing us to continue offering specialized programs led by skilled, passionate professionals

Together, we can create a village where every child is understood, celebrated, and supported. We are excited to offer unique sponsorship opportunities aligned with our four main initiatives:

- 1. Learn & Play Days**
- 2. Youth Summer Engagements**
- 3. Respite Drop-In Services**
- 4. Small Group Engagement**

## 2026 Sponsorship Opportunities

### 1. **Friend of Neuro Unique World Champion** (5 available): \$5,000+ sponsorship

As a Friend of NUW Champion, your business/name will appear on our sponsor board and the option to have a 8.5 x 11 in size logo/flyer in a facing window for the year. There will be a dedicated thank you for your sponsorship social media post. You will also be recognized in additional social posts and announcements shared with families regarding upcoming events and engagements throughout the year.

### 2. **Activity Sponsor** (5 available): \$2,000 sponsorship. *50% may be contributed as gift certificates if applicable, the remainder in cash.*

Your contribution supports specific activities offered by Neuro Unique World. Activity Sponsors will be recognized on our sponsor board and listed as the activity sponsor on all the relevant social media posts.

### 3. **Respite Care Champion** (10 available): \$500 sponsorship.

Your contribution supports the necessary programs and staff time that give caregivers and family members the much needed opportunity for their own personal care time. Respite Care Champions will be recognized on the sponsor board and in a collective social media post.

### 4. **Goodwill Sponsor** (unlimited): \$100 donation.

Your contribution helps meet important operational needs such as program materials, sensory tools, or staffing for our programs. Goodwill sponsors will be recognized on the sponsor board.

---

These opportunities allow your generosity to shine while directly supporting the enrichment and well-being of neurodivergent children in our care.

Let's build a more inclusive community—together.
